Principal's Update 14/10/24

Last week we had our colleagues from Telford and Wrekin Safeguarding Team visit us for a planned review of our safeguarding provision across the school. I am pleased they were able to see our learners have a positive, calm and supportive morning routine, coming on to each of our three campuses, and settling quickly to their learning. Our Mary Webb and Futures pupils talked confidently to our colleagues about how they got support for their mental health, and how they could seek help if they had any worries. One of our Focus areas this year is on attendance procedures, and how we are encouraging learners to be in school every day that they are well. Our admin teams are updating procedures with our safeguarding leads so that we are making daily registration as quick as possible. We will keep you updated with any changes that affect the way we communicate with you.

Thank you for returning your Update Contact Forms to us swiftly, I understand how frustrating it might be to fill in the same details year after year, but we are required to do this each year to keep our records up to date. The deadline for sending these back is 21st October, so please do send yours back if you haven't already.
Once we have all the information back, we can update our photo permissions, which means that we can have more photos back in our newsletters and updates, so thank you all for persevering with us.

This week:

- 7th to 18th October– Harvest Festival – we will be collecting donations for our Foodbank.

Later this month:

- Friday 25th October – Spooky disco for Foundation, Key Stage 2 and Key Stage 3.
