PRINCIPAL'S UPDATE

Severndale Academy

3/2/25

THIS WEEK'S UPDATE

Dear Families,

Last week our pupils in Foundation, KS2 and 3 took part in National Storytelling Week. It has been wonderful to see how enthusiastically pupils and staff have shared all kinds of reading opportunities across the week.

This week we are starting this term's parents' events, which will run over the next couple of weeks for most classes. Thank you to everyone who makes these events a success, it is really important to us to welcome families to share in our learners lives in school.

UPCOMING EVENTS

February

- Weeks beginning 3rd and 10th February – Stay and Plays/ parent events across the academy.
- Week beginning 10th February - Valentines Discos
- 11th February – Safer Internet Day

WHERE ARE OUR SCHOOL LEAVERS NOW?

We value your input

We want to celebrate our former students' diverse journeys since leaving school. We want to share your journeys since leaving school, whether that was last year or 30 years ago!

Our alumni network reconnects, shares stories and celebrates your achievements and supports others in achieving their aspirations and goals.

We want to hear about your experiences and achievements to inspire current and future students.

Severndale Academy

Learning Community Trust

Your Story Matters

Join our passionate alumni community! We want to hear your story, whether you're studying at college, pursuing a supported internship or apprenticeship, attending adult social care day services or living independently or in supported living.

Get in touch - via the email link below; and share photos or stories of where you or your young person is at now and their achievements! We also want to remember those who sadly are no longer with us.

By doing this you give permission for this information to be shared on our social media page, website and, or at our transition events.

We look forward to you staying in touch and sharing updates of your continued success.

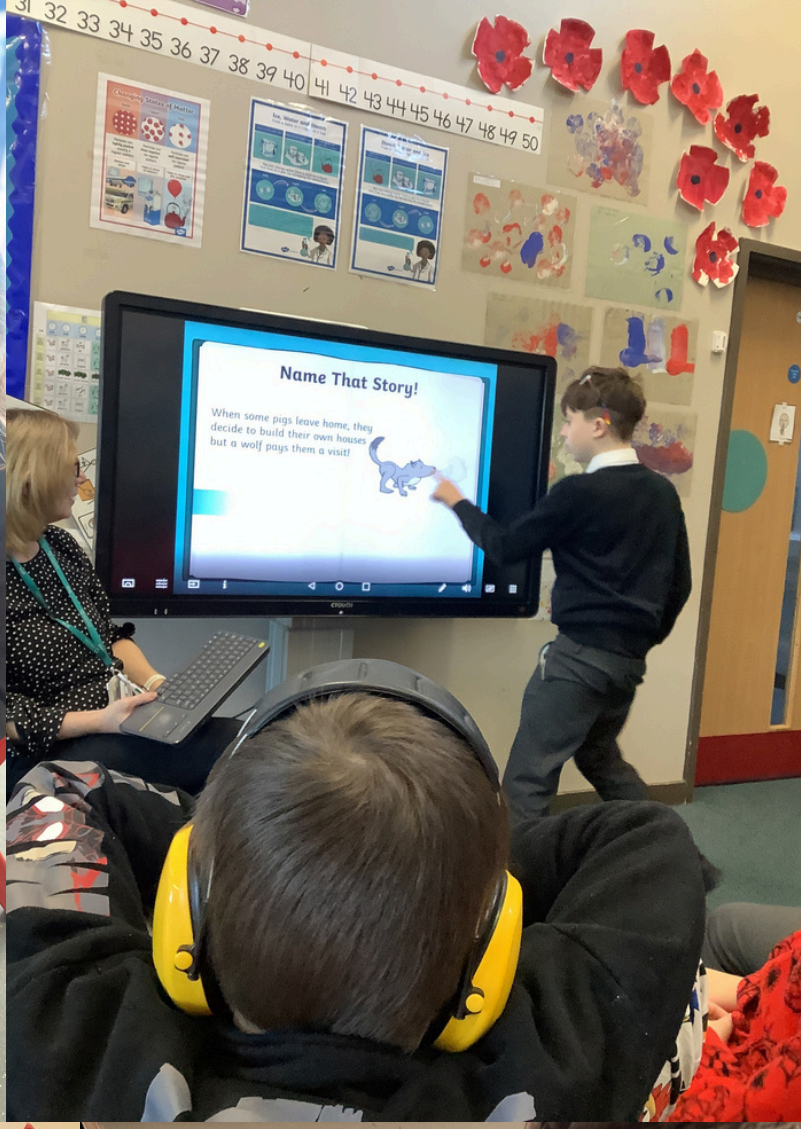
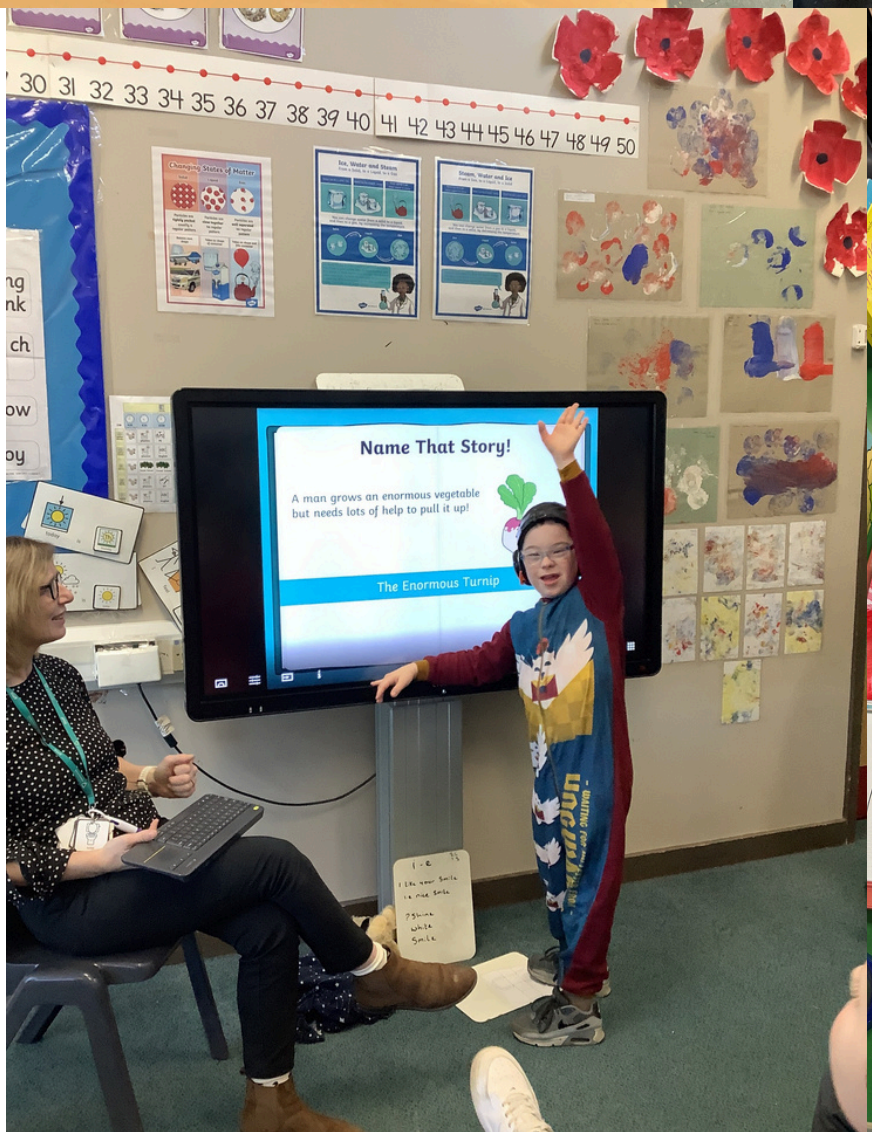
This week, classes in Foundation, Key Stage 2 and Key Stage 3 have celebrating National Storytelling Week. Students have shared stories in class, and some even had bedtime story Pyjama Day!

Dear Zoo



Name That Story!
When some pigs leave home, they decide to build their own houses but a wolf pays them a visit!



Name That Story!
A man grows an enormous vegetable but needs lots of help to pull it up!
The Enormous Turnip
