## THIS WEEK'S UPDATE

Dear Families,

As we close for the Easter break this week, I would like to wish you all a good couple of weeks in the (hopefully) continued good weather, and we look forward to welcoming our learners back on April 28th to lead into our 30 Years of Severndale week, which we are all excited about. If you can, please visit Shrewsbury Museum over the break to see the art work we have displayed there.

Amy Schofield held a learning event for parents on Intensive Interaction this week, and will repeat this in the summer term for another group, so look out for a letter on this.

Don't forget that if you have a question, query, grumble or praise, please contact your child's teacher, Department Co-ordinator, AP, VP or me! We are all here to listen when you need us!

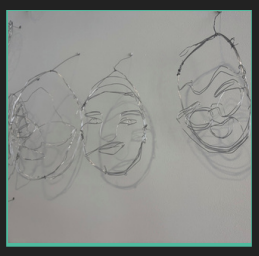
# Facescapes

Facescapes is an exhibition created by students from across Severndale Academy. Severndale is a special school which is part of the Learning Community Trust, a multi academy trust working across Shropshire and Telford. The school was established in 1995; it is their 30th birthday this year and the 10th birthday of the Futures campus based at Shrewsbury College.

As part of this special anniversary year they wanted to celebrate the many faces that have passed through their doors. Severndale has always been a place where students have been free to be who they are. Students have embraced their individuality and self-expression and created wonderful portraits and sculptures based on the theme of facescapes.



**Our Easter fun this year included an Easter Egg art competition for all, and an Easter Bonnet parade and raffle for staff organised by the staff wellbeing team.**
